HISTORY OF THE VILLAGE

The Village of Broadview was incorporated on December 6, 1914, under the laws of the State of Illinois. "Old enough to know and young enough to grow," the Village combines the experience of the past with the challenges of the present to maintain and deliver the best of public services to all its citizens.

Traditionally, the priority of Broadview's elected officials has be dedication to the improvement, prosperity, and progress of the Village. The effort has resulted in a good balance of urban and suburban living, including a thriving Village Square for shopping, the industrial sector, revitalization of Roosevelt Road, access to tri-state expressways, a 20 minute drive to O'Hare, a 30 minute ride to Midway, and a 15 minute (13 mile) drive to Chicago Loop.

The commercial sector along Roosevelt Road, complimented by the \$65 million, sixty-three acre site of the Broadview Village Square, attest to financial support business lends to Broadview fiscal stability, which in turn eases the property tax burden to residents.

Broadview has entered the 21st century with a Park District and a Library District. There are 3,000 families and about 80 industrial plants in the Village. The 1980's and 90's brought considerable expansion of existing industrial properties and retail markets, as well as the introduction of many new ones.

From 1937 up to 2017, Broadview has had only six Village Presidents (Mayors): Merritt E. Braga, Emil J. Parkes, John R. Rodgers, Henry M. Vicenik, Sherman C. Jones, and Katrina R. Thompson.

Cable TV came to Broadview in 1982, and in 1990 residents passed a referendum for a 9-1-1. Enhanced Emergency Telephone System, which became operational in April 1993.

The Broadview Fire Department has in all cases succeeded in implementing programs to answer these challenges while remaining focused on its main goal of protecting life and property. Training our personnel to meet these challenges will continue to be a high priority. Check out our Public Safety content on the Village's website at www.broadview-il.gov.

The Village’s elected officials believe in “hometown” service is both needed and desired; therefore, the Department is very responsive to the needs of its citizens. The Village has one of the lowest crime rates in the Proviso Township due in part to the department’s strong emphasis on neighborhood patrol. Developing situations are monitored daily and a response is developed for each problem identified. Other community services include:

Water

Broadview buys its supply of Lake Michigan water from the City of Chicago, and it is pumped to consumers via the Pumping Station in Broadview at 10th Avenue and Roosevelt Road, under the jurisdiction of the Broadview/Westchester Water Commission, established in 1927. A million-and-a-half gallon, overhead water tank constructed in Broadview in 1980 at 25th Avenue and Roosevelt Road assures an adequate supply in the event of emergencies.

Water Billing

Broadview residents are billed for water, garbage, and sewer services through the Village office on a monthly basis. The bill indicates the net amount due before the due date, and the gross amount due after due date. The gross amount includes a penalty for late payment. A shut-off notice is sent after giving the consumer 21 days in which to make payment.

Partial payments are not acceptable. Incorrect payments are returned, thus risking a penalty fee. Cash is not acceptable by mail. Payment by cash must be made in person. All “NSF” (non-sufficient funds) checks received by the Village result in an immediate shut-off of service. A \$50.00 fee is required to reinstate service for ANY shut-off, except new service.

Certificate of Registration

All contractors and subcontractors are required to obtain a Certificate of Registration from the Building Department BEFORE beginning any work in the Village. A bond in the amount of \$10,000 and Certificate of Insurance are also required. Certificate and bond fees are in addition to currently required permit fee based on total cost of work being performed.

*(10-10.3) [Definition] Certificate of Occupancy is a document signed by the Building Commissioner certifying that a building, structure, or land area and use has been inspected and found to comply with the building and zoning ordinances of the Village.

Building Permit

A Building Permit is required for any changes or improvements made to a residence, multi-family complex, business, industrial structure, or empty lot. A Permit is issued after Village inspection determined that said structure is in full compliance with all Village codes. Painting or landscaping DOES NOT REQUIRE A PERMIT. Installation of a completely new roof DOES REQUIRE A PERMIT, but replacement of a few shingles does not. Check with the Building Department before beginning any work. The permit fee is nominal and could save you expense and time.

9-1-1 Emergency Service

Broadview citizens have access to the “Enhanced 9-1-1 Emergency System” to summon emergency police, fire, and medical assistance. The “enhanced system” immediately records the name and location of the caller on a computer screen at the Police Dispatch Center. This aids a response in case of an accidental disconnect. “9-1-1” is to be used ONLY FOR EMERGENCY. Non-emergency calls should be directed to:

- Police.....(708) 345-6550
- Fire.....(708) 343-6124

REFUSE

Street Sweeping

Street sweeping operations begin in the Spring and continue into early Fall. Different sections of the Village are scheduled weekly, during both daytime and nighttime hours.

In those residential sections of the Village with few side drives, most of the sweeping is done at night when autos are off the street (in accordance with Village parking ordinances).

Your cooperation is urged to help keep our streets clean by making an occasional “clean sweep” of the curb gutter in front of your property. This habit keeps our streets looking good and prevents debris from clogging up sewers.

Brush Pick-Up

Brush pick-up is provided by the Public Works Department every MONDAY, beginning with the first Monday in April, through the last Monday in October. Stack branches nearly on the parkway, with the butt end of the branch facing the curb (No grass clippings, weeds, or foreign objects). EVERGREEN CUTTINGS go into your yard waste bag. Larger evergreen branches (2 feet or more) may be stacked curbside. Place branches on parkway after 6:00 p.m. on the day before pick-up day.

Refuse Pick-Up

Household Garbage

Household Garbage is picked up once a week. Residents are allowed **TWO** *authorized garbage containers for weekly pick-up. **EACH ADDITIONAL** garbage container requires an identifying sticker that may be purchased at Village Business Office.

*Authorized Container/toter: All household garbage must be placed in an authorized toter provided by the Village with a capacity of 65 gallons. **PLASTIC BAGS ARE NOT AUTHORIZED CONTAINERS.** All containers need to be placed curbside or in the alley for pick-up **AFTER** 6:00 p.m. on the **DAY PRECEDING PICK-UP DAY** and must be **REMOVED FROM PARKWAY BY 6:00 p.m. on PICK-UP DAY.**

Holiday Pick-Up

When your garbage pick-up day happens to fall on a legal holiday, pick-up for that week will be made one day later than your usual pick-up day. These are the legal holidays observed by Groot Disposal Service: New Year’s Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

Spring Clean Up Day

Clean up day is scheduled for the first Saturday of May. Unlimited bulk items and unlimited amounts of refuse will be pick-up. This does not include construction or demolition debris normally requiring a special roll-off container.

Appliance Pick-Up

The Village waste hauler will pick up discarded appliances that are placed beside your regular household garbage, either curbside or alley, on your regular pick-up day. There is no charge for this pick-up, but you are required to call the hauler one day in advance to notify them of your need and your address. (Groot's phone number: 708-485-0900).

Recyclables

Recyclables are picked up once a week on the SAME DAY as your HOUSEHOLD GARBAGE, but at a different time of day. There is NO ALLEY PICK-UP of recyclables. All recyclables are to be placed curbside for pick-up after 6:00 p.m. on the day preceding your pick-up day. For more details on currently acceptable recyclable items and disposal containers, call Groot Disposal (708-485-0900) or pick up and informational pamphlet at the Village Hall.

Yard Waste

Yard waste is picked up daily from April 1 – November 30th. All yard waste must be placed curbside in an authorized brown, biodegradable paper bag after 6:00 p.m. the day before pick-up day. There is **NO LIMIT** to the number of bags picked up, but **EACH BAG** must be properly identified with a Yard Waste Sticker affixed to it. Stickers may be purchased at the Village Business Office. **PLASTIC BAGS ARE NOT ACCEPTABLE FOR YARD WASTE.**

Leaf and Garbage Burning

It is against the law to burn garbage or leaves at any time in any part of the Village, as mandated by Cook County.

Leaf Pick-Up

Leaves are to be put into a yard waste bag **NOT IN THE STREET**. Stickers are not required. Leaves piled in the street present a safety hazard to children and vehicles, tend to clog sewers, and make it awkward for Village pick-up equipment to gather them.

VILLAGE REGULATIONS

Owner is charged for housing and capturing the pet. Licenses are available at the Village Office year round, and issued for one year at a time at a nominal fee.

Snow

It is prohibited to plow snow or ice into the streets or up against fire hydrants. It helps fire fighters find and access hydrants faster in the event of a fire, if they hydrant near your home or business is cleared of snow. You can help keep your hydrant clear.

Apartment or multi-unit complex dwelling owners are required to clear off-street parking spaces and parking lots within 12 hours after a 2" snowfall.

Violators are subject to a fine and towing costs.
