Dear Stakeholder:

Let me be the first to welcome you to our Village.

The Village of Broadview is where we rub shoulders and help each other out. We know that you will love the Village of Broadview as much as we do.

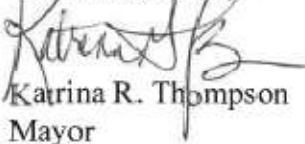

Our community is a nice mixture of retired people, active working men and women, and young families. If I can help you find your way around Broadview, please call me at 708-681-3600.

Our community website www.broadview-il.gov is the official communication for the Village of Broadview for upcoming activities, events, announcements, and community calendar. Please take a few minutes to visit and familiarize yourself with its resources and get to know your community. The website provides ready answers to most of questions asked. If you do not find the information you need there, you can send an email to constituents@broadview-il.gov and someone will respond within 48 hours.

Information on some of the questions many new homeowner's/business owners have is included in this directory to get you off to a smooth start.

Again, welcome to the Village of Broadview! We look forward to you falling in love with this community as much as we have. We know you'll find our community is a great place to live and we encourage your participation in our activities and functions.

Yours in Service,

Katrina R. Thompson
Mayor

Village of Broadview Directory

The Village of Broadview maintains a website, accessible at www.broadview-il.gov, offering residents and business entities a comprehensive resource on services, projects, and events. The site is organized with specific headings for Constituent Services, Residents, Departments, Government (featuring agendas, board minutes, and village ordinances), Upcoming Events, and Notices.

Incorporated on December 6, 1914, under Illinois state laws, the Village of Broadview embodies a blend of historical wisdom and contemporary challenges, striving to deliver exemplary public services to its populace. Rooted in a commitment to advancement, prosperity, and progress, Broadview boasts a harmonious fusion of urban and suburban lifestyles. Notable features include a vibrant Village Square for shopping, a robust industrial sector, rejuvenation efforts along Roosevelt Road, convenient access to the tri-state expressway, a short drive to O'Hare and Midway airports, and a swift commute to the Chicago Loop.

The commercial landscape along Roosevelt Road, complemented by the expansive sixty-three-acre Broadview Village Square, underscores the financial backing businesses provide, contributing to Broadview's fiscal stability and alleviating property tax burdens for residents. Embracing modernity, Broadview is equipped with a park district and a library district, serving over 3,000 families and approximately 80 industrial stakeholders.

Throughout its history, Broadview has seen the tenure of seven Village Presidents (Mayors), including notable figures such as Sherman C. Jones, the first Black Mayor elected in 2009, and Katrina R. Thompson, the first Black woman elected in 2017. Milestones in the community's evolution include the introduction of cable TV in 1982 and the successful referendum for a 9-1-1 Enhanced Emergency Telephone System in 1990, operational since April 1993.

In 2019, Broadview forged an intergovernmental agreement with the Village of Maywood for the IKE 911 Center, enhancing emergency dispatch services for both municipalities.

VILLAGE OFFICE HOURS:

Monday 8:30 a.m. – 5:30 p.m.; Tuesday, Thursday, Friday 8:30 a.m. – 5:00 p.m.

Wednesday 8:30 a.m. – 2 p.m.; Open the last Saturday of the Month: 9:00 a.m. to 12:00 p.m. except the months of November and December.

VILLAGE OF GOVERNMENT

Broadview is governed by a Village President (Mayor) and a six-member Board of Trustees, all of whom are elected at large for staggered four-year terms.

Additionally, the Village Clerk is elected at large for a four-year term. The Village Board Trustees constitute the legislative and policy-making body responsible for approving the annual budget, setting the tax rate, passing ordinances, and approving changes in land use. Each trustee also chairs and serves on two committees from the following: Building and Public Property; Finance; Fire, Police, Street, Sidewalks, and Alleys; Water, Drainage, and Health.

CITIZEN'S PARTICIPTION

The Village Board meets regularly on the first and third Monday of each month at 6:30 p.m. in the Council Chambers, with open access for the public to attend. These sessions include a dedicated period for "public comments," providing visitors an opportunity to engage with the Board directly. Notably, during the summer months from June to September, meetings are scheduled exclusively on the third Monday of each month.

Meeting agendas are diligently posted at least 48 hours prior to the session at Village Hall and are also accessible through the Village's official website at www.broadview.il.gov/village-board-meetings/. For those interested in accessing past or live Village Meetings, the provided link facilitates easy navigation to the desired content.

VOTER INFORMATION

To register to vote, you have two convenient options: you can register online at <https://ova.elections.il.gov/>, or you can visit the Clerk's Office at the Village between 10:00 a.m. and 2:00 p.m. to obtain a registration form for local and national elections. For further details, please reach out to the Cook County Clerk's Office at 312-603-0906 or visit www.cookcountyclerk.com.

CONSTITUENT SERVICES

The Mayor's Office is responsible for drafting ceremonial documents on behalf of the mayor for special occasions. Requests for such documents must demonstrate a specific connection to Broadview in order to be considered.

Mayor Citation

Issued to individuals for acts of heroism.

Mayoral Commendation

The Mayor usually issues commendations to acknowledge the significance of community events, notable achievements by community members, or to raise public awareness about worthy causes.

Mayoral Certification of Recognition

To recognize a significant milestone, such as an anniversary.

Mayoral Certificate of Memoriam

Given to the family of a deceased individual or provided during a memorial service.

Senior Snow Removal

The Village of Broadview extends snow removal services to property owners aged 60 and older who live alone, are disabled, handicapped, or face severe health challenges and lack assistance for snow removal. Applicants must reapply annually, with a strict deadline of November 2. No exceptions will be granted. Please ensure that your completed application and doctor verification are submitted to Village Hall before November 2. All applicants must provide medical verification from a doctor to be eligible.

Handy Man Program - Proviso Township

The Handyman Program, a component of senior services in Proviso Township, serves homeowners over the age of 60 living within the Township. For a nominal \$5.00 fuel fee, the handyman will visit your residence and perform minor repairs, charging solely for the cost of any required parts. Handyman services are accessible by appointment. To schedule an appointment, please call 708-547-4001.

Mayor Katrina Thompson

Village President (Mayor)

Executive Assistant Sobeida “Lily” Sierra

708-681-3600 ext. 259

ssierra@broadview-il.gov

In the Village of Broadview, the Mayor is elected by the people, carries numerous responsibilities vital for effective governance and community leadership. Here are several key aspects of the Mayor's role:

1. **Chief Executive Officer:** The Mayor serves as the village's chief executive officer, overseeing daily operations and providing direction to municipal departments and staff.
2. **Policy Development:** The Mayor plays a pivotal role in shaping the village's policies and initiatives, collaborating with the Village Board to address community needs and concerns.
3. **Community Representation:** As the elected representative, the Mayor advocates for residents' interests, serving as a liaison between the village government and its constituents.
4. **Budget Oversight:** The Mayor participates in the budgeting process, ensuring financial resources are allocated appropriately to meet the village's priorities and obligations.
5. **Crisis Management:** In times of crisis or emergency, the Mayor coordinates response efforts, working with relevant agencies to ensure public safety and effective communication.
6. **Community Engagement:** The Mayor engages with residents through public forums, meetings, and events, fostering transparency and encouraging civic participation.
7. **Economic Development:** The Mayor promotes economic growth by attracting businesses and investment, enhancing job opportunities, and improving the village's overall economic vitality.
8. **Intergovernmental Relations:** The Mayor represents the village in interactions with other governmental entities, advocating for resources and collaborating on regional initiatives.

Overall, the Mayor of the Village of Broadview serves as a visionary leader, policy maker, and representative of the community. Their role requires strong leadership skills, effective communication, and a deep commitment to serving the best interests of the residents and promoting the overall well-being of the village.

Clerk Kevin McGrier

Village Clerk

FOIA Officer

708-681-3600 ext. 271

kmcgrier@broadview-il.gov

Office Hours: Monday – Friday 10a.m to 2p.m.

The Office of the Village Clerk is responsible for recording the minutes of both regular Village Board meetings and special meetings. It also oversees the maintenance of all official records, certifications, and the Village seal, along with managing village contracts and ensuring compliance with the Illinois Open Meetings Act and Illinois Freedom of Information Act.

Additionally, the office acts as the local election authority and registrar for voters. During election periods, it participates as a member of the election judge panel.

The Village Clerk, a part-time elected official, fulfills duties outlined by the laws of the State of Illinois and the Ordinances of the Village. The following are the specific powers, duties, and responsibilities of the Village Clerk:

1. Guardian of the Corporate Seal of the Village: Countersigns official documents and applies the seal to all pertinent paperwork.
2. Attests all contracts of the Village.
3. Keeper of Village records: Maintains organized files of all approved Ordinances, Resolutions, and other necessary documents mandated by law for easy retrieval.
4. FOIA (Freedom of Information Act) Officer for the Village: Facilitates requests and ensures compliance with the Freedom of Information Act.
5. Monitors compliance with the Open Meetings Act (OMA) for the Village.
6. Attends all meetings of the Board of Trustees as mandated by law, takes minutes of proceedings, and keeps a record of the minutes.
7. Publishes Ordinances, Resolutions, and Bid Notifications.
8. Acts as the Local Registrar and Election Supervisor: Receives nominating papers and certifies names of candidates eligible to be printed on the Election Ballot.
9. Responsible for filing a certified copy of the Tax Levy Ordinance, Prevailing Wages, and Statement of Economic Interest with the Cook County Clerk within legal timelines.
10. Maintains custody and control of all Village documents not assigned to other officers.

11. Responds to inquiries from other municipal governments, departments, and citizens; maintains the official Ordinance and Resolution books.
12. Has the authority to administer Oaths.
13. Serves as an Illinois Notary Public.
14. Maintains a record of Elected Officials, appointed committees and commissioners, and regular employees.

ADMINISTRATION

Administrator

LeTisa Jones

708-681-3600 ext. 261

ljones@broadview-il.gov

The Administrator is multifaceted and pivotal in ensuring the effective operation and management of the village government. Administrator Jones serves as the chief administrative officer responsible for overseeing various aspects of municipal governance, including policy implementation, interdepartmental coordination, and community relations. Here are some key responsibilities associated with the role of an Administrator:

1. **Administrative Leadership:** The Administrator provides strategic leadership and direction to municipal departments, guiding the implementation of policies and programs established by the elected officials.
2. **Policy Implementation:** The Administrator translates the policies and directives set forth by the Village Board into actionable plans and initiatives. They ensure that municipal operations align with the objectives and priorities established by the governing body.
3. **Interdepartmental Coordination:** Facilitating collaboration and coordination among different municipal departments is a crucial aspect of the Administrator's role. They oversee departmental activities, promote teamwork, and ensure efficient delivery of services to residents.
4. **Budget and Financial Management:** The Village Administrator plays a key role in the budgetary process, working closely with department heads to develop the annual budget, monitor expenditures, and ensure fiscal responsibility. They provide financial analysis and recommendations to support informed decision-making by the governing body.
5. **Personnel Management:** Supervising municipal employees, including hiring, training, performance evaluation, and disciplinary actions, falls within the purview

of the Village Administrator. They foster a positive work environment and promote professional development among staff members.

6. **Community Engagement:** Building and maintaining positive relationships with residents, community organizations, businesses, and other stakeholders is an essential aspect of the Administrator's role. They serve as a liaison between the local government and the community, addressing concerns, soliciting feedback, and promoting civic engagement.
7. **Strategic Planning and Development:** The Village Administrator participates in long-term strategic planning efforts aimed at enhancing the village's infrastructure, economic development, and quality of life. They identify opportunities for growth and improvement, assess community needs, and recommend policies and projects to support sustainable development.
8. **Legal Compliance and Risk Management:** Ensuring compliance with applicable laws, regulations, and ordinances is a fundamental responsibility of the Village Administrator. They oversee legal matters, risk management strategies, and ensure that municipal operations adhere to legal and ethical standards.

Overall, the Village Administrator serves as a central figure in the effective functioning of local government, providing leadership, expertise, and strategic direction to advance the interests and well-being of the community. Their role requires a comprehensive understanding of municipal governance, strong managerial skills, and a commitment to public service.

FINANCE DEPARTMENT

Finance Director
Thomas Hood, CPA
708-681-3600 ext. 258
thood@broadview-il.gov

The Finance Department plays a pivotal role in the operations of the Village of Broadview, serving as the backbone of financial oversight and management. It is entrusted with the task of ensuring that the Village's financial resources are utilized to benefit its residents effectively. The department operates within a yearly cycle of Budgeting, Implementation, and Review, which is crucial for the Village's fiscal health and performance.

During the budgeting process, the Finance Department gathers information and assesses the needs for the upcoming fiscal year, comparing them with expected revenues. This analysis guides the elected officials in making informed decisions about resource allocation and prioritization. Throughout the fiscal year, the department monitors revenue activities, making adjustments as necessary, and enforces adherence to the budget to maintain financial discipline.

At the end of the fiscal year, the Finance Department reports on the Village's financial activities across various functions. This reporting serves multiple critical purposes. Firstly, it provides a metric to evaluate planned activities against actual performance, enabling a thorough review of departmental budgets. External factors like unforeseen events or economic changes can significantly impact revenues and expenditures, influencing budget outcomes.

Furthermore, the fiscal results reported by the Finance Department affect the Village's ability to secure borrowing at favorable rates. Similar to an individual's credit rating, the Village's bond rating is crucial for obtaining funds for long-term projects. Favorable interest rates contribute to cost-effective borrowing, enabling the Village to allocate more resources to service provision.

Additionally, financial stability and responsible stewardship demonstrated through reporting are vital for securing grants. Grant-awarding entities consider the Village's management practices and adherence to regulations when allocating funds. Compliance with county, state, and federal regulations is paramount for maintaining funding from these sources, highlighting the importance of accurate and transparent reporting.

In essence, the Finance Department's reporting function is not only essential for internal evaluation but also for external stakeholders' assessment of the Village's financial health and governance practices.

BUILDING DEPARTMENT

Commissioner
David Upshaw
708-345-8174
dupshaw@broadview-il.gov

The Building Department oversees the enforcement of all regulations outlined in the Building and Zoning Code, property maintenance, environmental health, and other ordinances pertaining to construction within the municipality. Inspections of buildings or structures under construction or undergoing alterations must adhere to the provisions set forth in the Building Code. The Building Department operates from the Municipal Building located at 2350 South 25th Avenue. Its office hours are Monday, Tuesday, Thursday, and Friday from 8:30 a.m. to 4:30 p.m., and Wednesday from 8:30 a.m. to 2:00 p.m. The department is closed on Saturdays and Sundays.

Building Permits

Any individual or duly authorized representative planning to undertake the construction, expansion, modification, relocation, demolition, or change of use of a building or structure, or to install, expand, modify, repair, remove, convert, or replace any electrical, gas, mechanical, or plumbing system subject to regulation by the Village of Broadview Building Code, must file an application with the building official and procure the necessary permit before commencing such work.

Certificate of Registration

Before commencing any work within the Village, contractors and subcontractors must register with the Building Department. Additionally, they must furnish a Bond, License, and Certificate of Insurance. The bond serves as a safeguard for the general public, ensuring that construction professionals comply with the specified provisions outlined in the bond's legal documentation. By obtaining contractor license bonds, construction professionals commit to adhering to specific regulations, thereby safeguarding government agencies and consumers from potential financial liabilities.

Certificated of Occupancy

Prior to occupancy by a property owner or tenant in any residential, commercial, or industrial property, the property owner must secure a Certificate of Occupancy from the Building Department. This certificate is granted subsequent to the completion of all Village inspections and ensures that the property fully complies with all Village codes.

*(10-10.3) [Definition] Certificate of Occupancy: A document endorsed by the Building Commissioner confirming that a building, structure, or land area and its use have undergone inspection and are compliant with the Village's building and zoning ordinances.

Grass/Weed Height

The owner or occupant of a premises is responsible for maintaining all weeds, grass, and other plant growth (excluding ornamental shrubbery), as well as trees and flowers, trimmed to a maximum height of 10 inches from the ground. Any growth surpassing this limit is deemed a nuisance, and the owner may be issued a citation.

Frequently Asked Questions

Where can I find information about Village codes and fees? Go to www.broadview-il.gov, click on departments, select the Building Dept., and scroll down to the Village Code

What is the turnaround time for the approval of a building permit? The approval turnaround time for a building permit varies depending on the project's scope. If plans are not required, application review and issuance typically occur within 24-48 business hours. However, if plans are necessary, the timeframe depends on the project's complexity, with review and permit issuance typically taking 5-7 business days. For further details, please contact the Building Department at (708) 345-8174.

How do I submit revisions to my plan review? To submit revisions to your plan review, typically three sets of stamped revised plans are required based on the scope of work. For additional information, please contact the Building Department at (708) 345-8174.

How high can a fence be and is a permit required? Fence height regulations and permit requirements are outlined in Village Code Section 9-2-4. For more details, please contact the Building Department at (708) 345-8174.

Where can I get information on solar panels and permit? For information on solar panels and permits, please visit www.broadview-il.gov and click on the Alliance For Sustainability tab. For further inquiries, please contact the Building Department at (708) 345-8174.

How long is a building permit valid? Building permits are valid for 6 months. After this period, customers must reapply for a new permit and pay the associated costs.

What is the cost of a garage sale permit? The cost of a garage sale permit is \$10.00.

Where can I obtain a list of building, plumbing and electrical contractors? To obtain a list of building, plumbing, and electrical contractors, visit www.broadview-il.gov or refer to the Building Department information board located in the Village Hall lobby. For additional assistance, please contact the Building Department at (708) 345-8174.

BROADVIEW FIRE DEPARTMENT

Fire Chief

Derek Bryant

Dbryant@broadview-il.gov

(708) 343-6124 x7

VILLAGE OF BROADVIEW FIRE SERVICE HISTORY

The Broadview Fire Department originated as a volunteer organization in 1948. Prior to its establishment, the Village relied on fire protection services provided by the Maywood Fire Department through contractual agreements.

To equip its volunteer corps, the department acquired a 1924 pumper from Oak Park, Illinois, for training purposes. Fred Peters, a retired Oak Park firefighter, was hired to train the new volunteers and assume the role of Fire Chief. Under his leadership, Merritt Braga became Assistant Chief, Herbert Prosser was appointed Captain, and James G. Cot Sr. served as Lieutenant and Secretary, later assuming the position of Fire Chief in 1951.

By 1953, the Broadview Fire Department had evolved into a well-trained and cohesive unit of professional firefighters. The acquisition of its first new 1,000 gallons per minute pumper marked a significant milestone. With this progress, Broadview terminated its contract with Maywood and established its independent fire department. In a span of two years, the department acquired an 85-foot aerial ladder equipped with a 1,000 GPM pump and hired paid fire staff in accordance with the Rating Bureau's recommendations, elevating its rating to Class Five.

Responding to the community's growth, the department procured its third 1,000 GPM pumper by 1963, necessitated by an influx of new residents and businesses. This advancement elevated the department's rating to Class Four, making Broadview the sole village with a population under 10,000 to achieve such a high rating. By 1964, during the Village's Golden Jubilee celebration, the fire department employed 13 full-time firefighters alongside 30 Paid-On-Call firefighters.

FIRE SERVICE

The Broadview Fire Department prides itself on its outstanding reputation as a premier fire department, a testament to the unwavering dedication and commitment of its members to safeguarding their community. In 2023, the Broadview Fire Department responded to 3,225 emergency calls, managed by a team of 25 Firefighter/Paramedics. Each day, the department works tirelessly to ensure the safety of residents, visitors, and businesses alike. Additionally, the department maintains service contracts with Hines VA, Loyola Medical Center, and Madden Mental Health, providing essential emergency services.

Emergency calls vary widely, encompassing medical services, structural fires, hazardous materials incidents, technical rescues, and other life-threatening situations. Our firefighters undergo daily training to uphold professional certifications and collaborate closely with neighboring agencies to offer mutual aid services whenever necessary.

Beyond emergency response, the Broadview Fire Department is actively involved in community outreach and educational programs. Our goal is to heighten public safety awareness and foster a culture of preparedness within the community. Through educational workshops, fire safety initiatives, and partnerships, we empower residents with the knowledge and skills needed to prevent emergencies and respond effectively during crises. We welcome opportunities to engage with residents, offering station tours and encouraging local groups to invite speakers from the Fire Department to share fire and life-safety messages.

Explore our content on the Village's website at www.broadview-il.gov to discover more about the services provided by the Broadview Fire Department. We have introduced several new offerings for all members of the community:

- **Fire Prevention:** Our department conducts educational programs to promote emergency preparedness and fire safety practices for local schools, churches, and civic organizations.
- **Blood Pressure Screenings:** Paramedic personnel offer free blood pressure checks from 8 a.m. to 5 p.m. at the fire department. No appointment is necessary.
- **Home Fire Safety Inspections:** Inspections are available upon request to help homeowners identify potential problems and prepare for emergencies. Schedule an appointment by calling the Fire Inspector at 708-343-6124 Ext 153.
- **Home Smoke Detector Program:** Schedule appointments for the installation of up to 2 free 10-year battery smoke detectors by calling the Fire Inspector at 708-343-6124 Ext 153.

- Department Tours: Residents, scout troops, preschool and elementary school classes, day care facilities, and local church groups can schedule tours by calling 708-343-6124 Ext 9.
- Child Safety Seat Inspections: Certified Fire Department personnel offer inspections by appointment at 708-343-6124 Ext 9. Visit www.seatcheck.org for general information on child safety seats and state-specific laws.
- CPR Class Offerings: Free CPR classes are available to Broadview residents with proof of residency. Contact Kris Murphy at (708) 343-6124 Ext 151 to schedule your next CPR class. We also provide group CPR classes to businesses and organizations in Broadview; call EMS Coordinator Alec Stevens at (708) 343-6124 for details.

We value feedback from our residents and business owners. Scan the code below to participate in our community survey and share your thoughts on our services!

BROADVIEW POLICE DEPARTMENT

Police Chief
Thomas Mills
(708) 345-6550
tmills@broadview-il.gov

VILLAGE OF BROADVIEW POLICE DEPARTMENT HISTORY

When the Village of Broadview was established in 1914, Herman Radtke assumed the role of the first Village Marshall. Given the sparse population, his services were infrequently required, and the position likely began as unpaid. With no telecommunications, electricity, or public transportation available, the Marshall relied on walking or horseback for transportation when needed.

In May 1918, Marshall Radtke welcomed his first assistant, Joseph Huszar, appointed as a motorcycle policeman with a monthly salary of \$75. Following Radtke's resignation later that year, Huszar (known as Indian Joe, likely due to his use of an Indian Motorcycle) became the Village's second Marshall. Additionally, he took on the role of Health Officer, with his monthly pay increasing to \$95.

During his eight-year tenure as Village Marshall, Indian Joe patrolled the Village on his motorcycle, monitoring speeders who exceeded the day's speed limit, typically set between 12 and 20 mph. As Health Officer, he also ensured that

individuals quarantined due to contagious illnesses remained confined to their homes.

Police Services

The Broadview Police Department is composed of 31 dedicated members, including sworn officers and civilians, serving across Patrol, Investigative, Administrative, and Communications units. Committed to the safety and well-being of our community, we strive to protect all residents, businesses, and visitors. Engaging actively with the community, we organize various initiatives such as the Patrol Officer “Walk and Talk,” Neighborhood Watch, National Night Out, Safety Saturday, and several other programs throughout the year.

Our Village's elected officials understand the importance of "hometown" service and prioritize responsiveness to citizens' needs. As a result, the Broadview Police Department maintains one of the lowest crime rates in Proviso Township, thanks in part to our strong emphasis on neighborhood patrol. We monitor situations daily and develop appropriate responses to address identified issues. Additionally, we offer various community services, including:

EISENHOWER EMERGENCY COMMUNICATIONS (IKE 911)

The Eisenhower Emergency Communications Center, also known as IKE 911, was established in June 2019 through a collaboration between the Broadview Police Department and the Maywood Police Department. The consolidation of telecommunicators from both departments resulted in a team of five from Broadview and eight from Maywood servicing the center. Director Francisco Reyes oversees the center's day-to-day operations, ensuring efficient functioning. The center holds EMD certification and state licensure, employing state-of-the-art equipment to facilitate communication between the public and officers on duty.

Citizens are urged to dial 9-1-1 for emergencies, 24/7. For non-emergency concerns, individuals should utilize the central dispatch number, (708)345-6550 ext 0, to reach the IKE 911 Center.

PETS/ANIMAL CONTROL

Annually, dogs and cats must be licensed, with proof of rabies vaccination and a small fee payable at the Village Hall necessary to obtain the license. Each household is permitted a maximum of three dogs/cats. Dogs must wear a tag and remain restrained in public at all times. Any dog found running loose will be impounded, with a fee and proof of rabies vaccination required for claiming

impounded animals. To report violations or claim seized animals, please call 708-345-6550 ext 0.

OVERNIGHT PARKING

Overnight parking restrictions are enforced within the Village of Broadview. Parking in Municipal lots and on Village streets is prohibited between 2 a.m. and 5 a.m., with violators subject to ticketing.

Occasional overnight parking privileges may be granted by the Chief of Police or an authorized agent, necessitating online registration. To register your vehicle for overnight parking, please visit <https://www.frontlinepss.com/parking-request>. Each vehicle is entitled to four parking passes per month.

Monthly permit parking passes for designated areas throughout the Village can also be purchased at the Broadview Village Hall. For further details regarding monthly parking permits, please contact the Village Hall at (708) 681-3600.

ALLEY ADDRESS

To comply with Village regulations, all residents, businesses, or occupied properties must display their legal address prominently on garages or fences facing an alley, if applicable. The numerals used for this purpose should measure at least 3-1/2" in height. These numerals are available for purchase at cost through the Building Department.

ABANDONED VEHICLES

The Police Department has the authority to remove all junk cars, which are defined as inoperable vehicles. According to village ordinance, it is not permissible to leave, keep, or store an inoperable motor vehicle on public or private property accessible to the general public for more than seven days. Responsibility for the inoperable vehicle falls on either the car owner or the owner of the property where it is parked. Violators are subject to fines for each day the inoperable vehicle remains on the property. Moreover, vehicles may be towed if they have not been moved for seven days or more.

SNOW REMOVAL

Placing snow or ice onto streets or obstructing fire hydrants with snow accumulation is strictly prohibited. Clearing snow from hydrants near your home or business aids firefighters in locating and accessing them swiftly during

emergencies. You can contribute to this effort by ensuring your nearby hydrant remains clear.

Owners of apartment buildings or multi-unit complexes must clear off-street parking spaces and parking lots within 12 hours following a snowfall of 2 inches or more. Violators of this regulation are liable to fines and the costs associated with towing.

PARKING IN MUNICIPAL LOTS AFTER SNOWFALL

Following a snowfall of 2 inches or more, no vehicles are permitted to park in any Municipal parking lot until the lot has been plowed. The Police Department has the authority to tow vehicles found in violation, and the owner of the vehicle is accountable for all towing and storage expenses. Permitted parking is invalidated during snowfall of 2 inches or more.

CURFEW

Individuals under 17 years old are not permitted on Village streets, alleys, parks, or places of business without a parent or guardian during the following hours:

- Friday and Saturday: 12:00 a.m. – 6:00 a.m.
 - Sunday through Thursday: 11:00 p.m. – 6:00 a.m.
- Failure to adhere to these regulations may result in fines

FAQ (Frequently Asked Questions)

How do I register my vehicle for overnight parking?

To register your vehicle, please utilize our online registration platform accessible at <https://www.frontlinepss.com/parking-request>. Kindly complete the online registration form, providing details about your car and its intended parking location. Each vehicle is entitled to four overnight parking passes per month.

What if I need more than the allowed four nights of overnight parking?

Resident requiring more than four nightly parking passes can obtain a monthly parking permit from The Village Hall. These permits are valid for specified areas within the Village of Broadview. While the monthly permits do not permit parking directly in front of residences, they allow parking in designated areas throughout the town. For assistance in locating the nearest designated area and acquiring the appropriate permit pass, a map is available at the Village Hall.

Does the parking permit ever get overridden?

When a snowfall exceeding 2 inches is anticipated, the snow ban goes into effect. During this period, any previously granted parking permissions for the day are revoked until the snow is cleared. Once the snow ban is lifted, permit parking resumes as usual.

The police department towed my car. How do I retrieve my vehicle?

If your vehicle is towed by the Broadview Police Department, you can reclaim it from Area Towing. Initially, you must obtain a release form from the police department, which incurs a fee of \$25. In the event of an administrative hold on your vehicle, an additional \$500 fee will be levied.

You can collect your vehicle from Area Towing, situated at 1401 N 1st Ave in Melrose Park, Illinois, with the release form. Please note that additional tow and storage fees at Area Towing may apply.

How do I make a police report?

You can file a police report with the Broadview Police Department at any time, 24 hours a day, seven days a week. For non-emergency reports, you have the option to visit the police department in person to file the report. Alternatively, you can request an officer to come to your location in Broadview by calling the Broadview Police Department at 708-345-6550 ext 0. In case of an emergency, please dial 9-1-1.

How do I obtain a copy of my report?

To obtain report copies, visit the Broadview Police Records Department during their operating hours, Monday through Friday, from 8:30 a.m. to 4:30 p.m. Ensure you have your Broadview Police report number available. Please allow 3-5 business days to receive a copy of your report. Depending on the type of police report, copies may take longer to process. Standard report copies are priced at \$1 each, while accident report copies are \$5 each.

How do I follow up on a police report I made with the police department?

If you've filed a police report requiring ongoing investigation and wish to inquire about its status, you can contact the Broadview Detective Bureau for updates. The Detective Bureau can be reached at 708-345-6550 ext. 247. For providing additional information related to your report, you may email

detectives@broadview-il.gov. Please ensure you have your Broadview police report number available when contacting the Detective Bureau.

How do I recover personal property from the police department?

To reclaim personal property from the police department, you must visit the department in person and present a valid form of identification. Request to speak with the watch commander to facilitate the release of your property.

How do I report crimes but remain anonymous?

You can email anonymously to cops@broadview-il.gov.

I have a question about the Village of Broadview, but it is not a police-related inquiry. How do I contact the proper department?

The following are other departments within the Village of Broadview that are available to you.

Facility	Address	Phone	Email
The Village of Broadview	2350 S. 25th Avenue Broadview, IL 60155	(708) 681-3600 (708) 681-2018 (Fax)	villagehall@broadview-il.gov

police@broadview-il.gov

PUBLIC WORKS DEPARTMENT

Public Works Director

Matthew Ames

(708) 681-3602

mames@broadview-il.gov

The Public Works Department provides a range of services, including street and parking lot maintenance, traffic sign upkeep, tree trimming and care, street sweeping and snow plowing, branch pick-up, and sewer maintenance.

Additionally, they handle the repair and maintenance of water mains, Village vehicles, equipment, buildings, and grounds. The Public Works Department is situated at 2734 South 9th Avenue and can be reached at (708) 681-3602. Office hours are Monday through Friday from 7:30 a.m. to 4:30 p.m., with closures on Saturday and Sunday.

For the disposal of moving boxes, we recommend breaking down as many boxes as possible and placing them on the parkway area in front of your home (the grassy section between the sidewalk and curb) on your scheduled trash collection day.

Residential Waste pick-up day is on Friday's Village wide.

SBC Waste Solutions conducts yard waste collection from April 1st to November 30th. This service includes the pickup of grass, leaves, and other yard waste, which is collected separately from household garbage. All yard waste collected is transported to a composting facility for processing. To ensure collection, all grass clippings and yard waste must be placed inside a biodegradable, 2-ply, moisture-resistant Kraft paper yard waste bag. The filled bag should not exceed 50 pounds in

weight. Yard waste stickers, available for \$2.00 at Village Hall during regular business hours, must be affixed to the bags.

Branch and brush pickup services are provided by the Public Works Department weekly, commencing on the first Monday in April and concluding on the last Monday in October. Brush disposal does not require a sticker.

Leaf Pick Up

The leaf program typically commences around the last Monday of September each year and concludes on November 30th annually.

For special pick-ups involving bulky items, such as large furniture, appliances, or other sizable objects, one large item may be set out on garbage day. If multiple items need to be disposed of in a single week, a special pick-up must be arranged. Please reach out to SBC Waste Solutions directly to receive a quote and schedule for all special pick-ups.

It's important to note that certain items are prohibited from being placed in yard waste bags. This includes rocks, sod, bales of hay, and pumpkins, which should be disposed of as refuse and not included in yard waste collection.

Water

Broadview procures its water supply from Lake Michigan through the City of Chicago. The water is pumped to consumers via the Pumping Station located in Broadview at 10th Avenue and Roosevelt Road. This operation falls under the jurisdiction of the Broadview/Westchester Water Commission, which was established in 1927. Additionally, Broadview ensures a reliable water supply through the presence of a million-and-a-half-gallon overhead water tank constructed in 1980 at 25th Avenue and Roosevelt Road, which serves as a contingency measure in case of emergencies.

Water Billing

Broadview residents and businesses are invoiced for water, garbage, and sewer services through the Water Department on a monthly basis. The smart meter data is used by the Public Works Department to read water meters monthly. Bills are mailed out on the 15th of each month, with payment due by the last business day of

the month. Failure to make the monthly water payment by the due date incurs a penalty, which amounts to 10% of the remaining balance.

Accepted payment methods include cash, check, money order, credit card, or online payment through broadview-il.gov by selecting "Pay my water bill". Cash payments are not accepted by mail; they must be made in person. In case of non-sufficient funds (NSF) checks received by the Village, service will be immediately shut off. A \$50.00 fee is required to reinstate service for any shut-off, except for new service.

REFUSE

Street Sweeping

Street sweeping operations commence in the Spring and extend into early Fall in Broadview. Various sections of the Village are designated for sweeping on a weekly basis, during both daytime and nighttime hours.

In residential areas with minimal side drives, the majority of sweeping occurs at night to coincide with the absence of parked vehicles, aligning with Village parking ordinances.

We encourage your cooperation in maintaining clean streets by occasionally sweeping the curb gutter in front of your property. This practice helps uphold the appearance of our streets and prevents debris from obstructing sewers.

Brush Pick-Up

The Public Works Department offers brush pick-up services weekly, starting from the first Monday in April until the last Monday in October. To prepare for pick-up, stack branches neatly on the parkway, positioning the butt end of the branch facing the curb. Please ensure no grass clippings, weeds, or foreign objects are included with the branches. Evergreen cuttings should be placed in your yard waste bag. Larger evergreen branches, measuring 2 feet or more, may be stacked curbside. Remember to place branches on the parkway after 6:00 p.m. on the day before the scheduled pick-up day.

Refuse Pick-Up

Household Garbage

Household garbage collection takes place once a week. Each resident is permitted one authorized garbage container, provided by the Village, with a capacity of 95

gallons. Residents can rent one additional container for weekly pick-up. Any additional 35-gallon garbage containers must have an identifying sticker, available for purchase at the Village Business Office.

Please note that plastic bags are not authorized containers for household garbage. All containers must be placed curbside or in the alley for pick-up after 6:00 p.m. on the day preceding pick-up day and must be removed from the parkway by 6:00 p.m. on pick-up day.

Holiday Pick-Up

In the event that your garbage pick-up day coincides with a legal holiday, pick-up for that week will occur one day later than your regular pick-up day. The legal holidays observed by SBC Waste Solutions include New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day.

Spring Clean Up Day

Clean-Up Day is scheduled for the first Saturday of May. On this day, unlimited bulk items and unlimited amounts of refuse will be picked up. However, please note that this does not include construction or demolition debris, which typically require a special roll-off container.

Appliance Pick-Up

The Village waste hauler offers the collection of discarded appliances when placed beside your regular household garbage, either curbside or in the alley, on your scheduled pick-up day. There is no charge for this service, but it is mandatory to call the hauler one day in advance to inform them of your need and provide your address. You can reach SBC Waste Solutions at the phone number 312-522-1115.

Recyclables

Recyclables are collected once a week on the same day as your household garbage, but during a different time of day. Please note that there is no alley pick-up for recyclables. All recyclables should be placed curbside for pick-up after 6:00 p.m. on the day preceding your scheduled pick-up day. For further information regarding currently acceptable recyclable items and disposal containers, please contact SBC Waste Solutions at 312-522-1115 or pick up an informational pamphlet at the Village Hall.

Yard Waste

Yard waste collection occurs daily from April 1st to November 30th. To facilitate pick-up, all yard waste must be placed curbside in an authorized brown, biodegradable paper bag after 6:00 p.m. on the day before pick-up day. There is no limit to the number of bags collected, but each bag must be appropriately identified with a Yard Waste Sticker affixed to it. Stickers can be purchased at the Village Business Office. Please note that plastic bags are not acceptable for yard waste disposal.

Leaf and Garbage Burning

Burning garbage or leaves at any time, in any part of the Village, is strictly prohibited by Cook County law.

Leaf Pick-Up

Leaves must be placed into yard waste bags and should not be placed in the street. Stickers are not required for this purpose. Leaves piled in the street pose safety hazards for children and vehicles, tend to clog sewers, and create difficulties for Village pick-up equipment during collection.

LICENSES & SERVICES

Vehicle Stickers

Vehicle stickers for Broadview go on sale starting March 15th at the Village Offices located at 2350 South 25th Avenue. Illinois Driver's licenses must bear the current Broadview address and be registered in the Village of Broadview.

Fees for Passenger & Senior cars are as follows:

- If purchased from March 15th to April 30th:
 - \$25.00 for Passenger (ages 16-64)
 - \$10.00 for Seniors (65 and older) – limited to 2 per household

License fees for Trucks, Tractor/Semi/Boats Trailer Units, Recreational Vehicle/SUV, Motorcycles/Motorbikes, Replacement Tag, and Transfer Sticker vary. Active Duty Military Personnel and Veterans must provide proper ID or documentation. Military personnel receive one (1) sticker at no charge. For more information, contact Village Hall at (708) 681-3600.

After April 30th, vehicle sticker fees double for all vehicles. Failure to properly display the sticker on the windshield may result in citation for vehicle owners.

Village Yard Waste/Refuse stickers

Yard waste/refuse stickers are adhesive labels designed to be affixed to each yard waste bag before disposal. Produced by SBC Waste Solutions, Inc., these stickers typically include instructions and a unique identification number. They serve as proof that the bag's contents comply with local regulations and have been paid for if there is a fee associated with yard waste collection. These stickers assist waste management personnel in identifying and collecting yard waste properly, ensuring that only authorized materials are included in the collection process.

Garbage Stickers: \$1.90*

Yard Waste Stickers: \$2.00*

*****Prices are subject to change*****

Suggestion/Complaint Forms

The Village maintains a file of Suggestions/Complaint forms concerning property maintenance, code violations, and other concerns submitted by residents or businesses. These reports undergo review by Village Department Heads and the Mayor, who oversee the matter to resolution. We encourage public participation in this program to improve property values and eliminate fire, safety, and health hazards within our Village.

ADVISORY COMMITTEES

Board of Police and Fire Commission

The Commission consists of three (3) members and holds responsibility for the examination and recruitment of new police officers, patrol officers, and firefighters, as well as overseeing promotions within the respective forces. Additionally, it recommends policy matters necessitating review by the Board of Trustees.

Fire Pension Board

In accordance with State Statute, this board must include the Village President (Mayor), Village Clerk, Village Attorney, Village Treasurer, Chief of the Fire Department, three additional members selected from active firefighters, and one retired firefighter. Its primary responsibility is to supervise the disbursement and investment of the Pension Fund. The Fire Pension Board convenes quarterly at the Firehouse.

Police Pension Board

As mandated by State Statute, the Board must consist of five members, structured as follows: Two appointed by the Village President (Mayor), two elected from the regular police force, and one chosen from the beneficiaries under the Police Pension Act as established by statute. Its primary duty is to supervise the disbursement and investment of the Police Pension Fund. The Police Pension Board convenes quarterly at Village Hall.

Zoning Board of Appeals

The Zoning Board of Appeals is responsible for interpretation and hearing appeals concerning the Village Zoning Ordinance.

The Zoning Board of Appeals is composed of seven (7) members.

Appointments, Officers, Vacancies: The President, with the consent of the Village Board of Trustees, makes all appointments to the Zoning Board of Appeals. Upon appointment, one member is designated as the chairman. Vacancies are promptly filled for the remaining term of any member whose position becomes vacant. If the chairman's position becomes vacant, the Village Board of Trustees may appoint another member from the Board or any newly appointed member to serve as the new chairman.

The Zoning Board of Appeals convenes at the Village Hall as required.

Safety Committee

The safety committee is composed of the Building Commissioner, Fire Chief, Police Chief, and the Director of Public Works. Matters brought for consideration may include, but are not limited to, parking regulations, health codes, fire safety standards, and maintenance of streets and public parkways, new development, property renovation and property rehab.

COMMUNITY GOVERNMENT AGENCIES

Broadview Park District

Schroeder Park

2600 South 13th Avenue

Broadview, IL 60155

The Broadview Business Association (BBA)
1810 West Roosevelt Road
Broadview, IL 60155
Telephone: 708-613-8814
Email: broadviewbusinessassociation@gmail.com
Website: www.broadviewbiz.com

The Broadview Business Association plays several crucial roles in supporting the business community and the overall economy:

1. **Networking and Collaboration:** Broadview Business Association provide platforms for businesses to network, share ideas, and collaborate. They host events, seminars, and workshops where entrepreneurs and professionals can connect, exchange contacts, and explore potential partnerships.
2. **Advocacy and Representation:** BBA advocate for the interests of businesses at local, regional, and sometimes national levels. They liaise with government bodies,

policymakers, and regulatory authorities to represent the needs and concerns of the business community. Chambers also work to influence policy decisions that can impact businesses, such as taxation, regulations, and infrastructure development.

3. **Business Support and Resources:** BBA offer various resources and support services to businesses, especially small and medium-sized enterprises (SMEs). These may include access to business development programs, mentoring, training, and educational resources. Chambers often provide guidance on regulatory compliance, economic trends, and market research, helping businesses make informed decisions.
4. **Community Development:** BBA contribute to the overall economic development and prosperity of their communities. By supporting local businesses, Broadview Business Association help create job opportunities, stimulate economic growth, and enhance the quality of life for residents. They often collaborate with other community organizations and stakeholders to promote civic engagement, cultural events, and tourism, which can further boost the local economy.
5. **Marketing and Promotion:** Broadview Business Association play a role in promoting the local business community and attracting investment. They may organize marketing campaigns, trade shows, and business expos to showcase local products and services to a broader audience. BBA also maintain directories and online platforms where businesses can advertise and gain visibility within the community and beyond.

The Broadview Business Association serve as vital catalysts for economic development, business growth, and community prosperity by fostering collaboration, advocating for business interests, providing support services, and promoting local commerce.
