Winter 2018

## Season's Greetings!

Mayor Katrina Thompson

I want to begin by wishing every resident of Broadview a happy, healthy and peaceful holiday season. This is a time for family, community and rest after a long and fruitful year. In the season's spirit of peace and cooperation, I'm proud to say that the Village of Broadview is working together like never before to deliver effective services and build a vibrant community.

Our focus for the new year will be economic development. I'm proud to say that in my short time as mayor we've already welcomed several new businesses to Broadview, including another grand opening this quarter. In the year to come, I hope to continue cutting ribbons on diverse new businesses that will enrich our community. If you're interested in opening a small business here in Broadview, feel free to reach out to Village government – we're here to help in any way we can.

I also want to congratulate all of the honor roll students at our fine elementary schools. Good education is vital to building a thriving community, and I'm so proud of the students, teachers and administrators who work every day in our schools. I hope to continue partnering with our school system in the coming year as we all work to make Broadview flourish.

I'm happy to say that that work has kept us very busy over the last few months. On the next pages, you'll see a photographic record of the hard work we've been doing at the Village of Broadview. We welcomed a new addition to our police force, opened up a new business (a wonderful popcorn shop), met with elected leaders like Senator Kimberly A. Lightford, Commissioner Richard Boykin and State Rep. Chris Welch, visited a reservoir maintained by the Metropolitan Water Reclamation District, and stopped by Roosevelt School. These are the kinds of things we do every day to make sure Broadview stays a wonderful place to live.

Again, please have my best wishes for a happy holiday season and a fruitful new year.

*Mayor Katrina Thompson*

### Snow Parking Restrictions

Village Ordinance prohibits street parking during the snow season, or after a two-inch snowfall, until after the streets have been cleared by Village plows.

In addition, parking in municipal lots after a two-inch snowfall is prohibited until after the lot has been cleared by Village plows.

The Police Department is authorized to have vehicles in violation of snow parking ordinances towed. The vehicle owner will be responsible for all towing and storage costs associated with these illegally parked vehicles.

## Warming-up Your Car for Thieves

As the weather changes, remember that thieves are always looking for unique opportunities to commit their crimes. Thieves know that people warm up their cars in the winter and go back into their homes for 5-10 minutes (usually before work in the morning). That's all the time they need to steal your car. For this reason, it's actually illegal to leave a car running and unattended.

And remember also that 95% of our vehicle burglaries occur to vehicles that were left unlocked by the owner. Don't think your car is safe just because it's in your driveway or because items of value are out of sight in your glove compartment; if your doors are unlocked, that's the first place a thief will look. This winter, let's be safe. Lock those doors!

## New Squad Cars

The Police Department has begun acquiring new squad cars. So far, we have taken delivery of one 2018 Ford Explorer, with at least 2 more on the way. Chief Eugling sought input from his Officers when considering design options for the graphics and we are very pleased with the final results. We hope you agree.

## Operation Santa Claus

Planning for Operation Santa began in October, and we are looking forward to a spectacular event again this year.

Operation Santa is an event that honors Broadview families and seeks to ensure that they have a wonderful holiday season.

This event is made possible through a strong partnership between the Village of Broadview, Broadview Police Department, Broadview Fire Department, Broadview Park District, Broadview Public Library and Broadview Wesleyan Church, but also relies on generous donations from Broadview residents and businesses.

## Holiday Safety

Just a few things to remember as we get closer to the holidays:

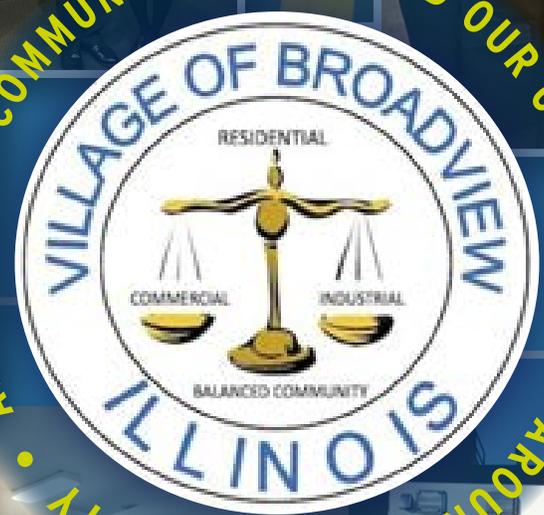

- Be sure to schedule package deliveries for a time when someone will be home. Thieves have been known to follow UPS or FedEx trucks around, looking for opportunities to steal.
- Women - If you carry a purse, never leave it in a shopping cart while you're shopping. Thieves know your attention is on the merchandise, and they can easily walk away with your personal items.

- Note the 1-800 number on the back of your credit cards, so that if you lose one or if it is stolen, you can quickly call the bank to have the card canceled.
- Place your new purchases in the trunk of your car while you shop, so that thieves won't be tempted to break a window and make off with your gifts.
- If you have boxes from expensive electronics after Christmas, don't leave those boxes by the curb on garbage day. Doing so advertises to criminals what's inside of your home.

Happy Holidays!

Chief Kevin Eugling

## Community Engagement

On September 28th we hosted our annual Public Safety Open House event! This was a largest attendance in years! We appreciate all the support we received from Mayor Thompson and her staff. Both Police Chief Eugling and Chief Kenny Thank everyone whom attended. The explorers raised money for camp with the sale of hot dog and the Fire Department was able to share an extrication demonstration, extinguisher education, and a live burn to show the advantages of sprinklers. Please remember this years slogan "Have two ways out"! Continue to practice fire safety.

On February 17th, from 9:00am to Noon, we will be hosting a Friends and Family CPR class to celebrate Heart Healthy Month with the Red Cross. Please make you reservation for the class by calling, Chris Mazurkiewicz, CPR educator, at 708-343-6124.

## Department News

On December 15th, administrative Assistant Kris Murphy will be graduating from the Illinois Fire Service Administrative Professionals class. Over the past four months she attended classes that helped her become educated in Fire Department shared resources, basic firefighting skills, emotional support, group dynamics, computer programs and so much more!

On January 20th be sure to congratulate Firefighter Deme-trius Nolan, as he has passed his probationary year and is now a full-time member of the Broadview Fire Department.

## Holiday and Winter Safety Tips

During the Winter driving conditions can become difficult. Help us respond to emergencies by pulling to the right side of the road prior to our emergency vehicles approaching. The weight of our vehicles make it difficult to make sudden stops. Be prepared for emergencies by keeping your sidewalk and stairs free of ice and snow, so that we may safely get a patient the care they need.

Remember to keep your Christmas Tree watered and away from outlets. A dry Christmas Tree can ignite quickly. Make sure your fireplace has been cleaned and inspected. Soot and creosol from last years fires, can create a fire in your flume. Don't forget to blow out candles when you retreat to bed or exit your home.

Please keep you hydrants free and clear of snow.

## A Time of Giving

We don't always have to give expensive gifts, the best gift we can give is "The Gift of Hope". The Gift of Hope is all about organ donation. Visit [lifegoeson.com](http://lifegoeson.com) for more information.

Blood donations through Lifesource is a great way to give during the holidays as well. We host blood drives here at the firehouse in the Spring, but feel free to visit their locations to continue to support the need at [lifesource.org](http://lifesource.org)

We are available for blood pressure checks, everyday from 8:00am to 6:00pm in our lobby.

Have a Happy Holiday and Thank You for letting us serve our community!

*Chief Tracy Kenny*

# Friendly Reminders...

## Preparing Your House for the Fall/Winter Seasons

- 1) Get your furnace or heating system checked.
- 2) Check roof – Repair damaged, loose, missing shingles.
- 3) Caulk around all windows and doors.
- 4) Clean gutters and downspouts.
- 5) Test your sump pump.
- 6) Verify that all smoke and carbon monoxide detectors are functioning properly.
- 7) Make sure your snow blower is working properly. Restock on items as sand, salt, and ice melt.

## Business Licenses

***Business licenses and registrations expire on December 31 of each calendar year.***

### **3-1-1: APPLICABILITY OF PROVISIONS:**

All business, commercial and industrial activities in the village of whatever nature except those listed in section 3-1A-2 of this chapter are required to obtain a license to operate. No person, firm or corporation not otherwise licensed by this code except those engaged in a business listed in section 3-1A-2 of this chapter shall engage in any commercial, business or industrial activity of whatever kind in the village without first having obtained a business license as provided in this chapter. Application for a business license shall be made in conformance with the requirements of section 3-1-2 of this chapter relating to application for licenses. (Ord. 2003-02, 3-3-2003)

### **3-1-4: INVESTIGATION, INSPECTIONS:**

A. Application And Inspection Procedures:

7. No license shall be issued to any person, business, or entity indebted to the village unless and until such indebtedness is paid to the village, or until the corporate authorities discharge such indebtedness in accordance with the terms and conditions fixed by the corporate authorities.

### **3-1-5: TERMINATION OF LICENSE OR REGISTRATION, PAYMENT OF FEE:**

A. Annual License: All annual licenses or registration shall terminate on December 31 of the calendar year.

The village clerk shall mail all licensees a statement of the time of expiration of licenses held by the licensees three (3) weeks prior to the date of expiration. The failure to send out such notice or the failure of the licensee to receive it shall not excuse the licensee from the failure to obtain a new license or a renewal thereof, nor shall it be a defense in any action for operating without a license.

B. Payment Of Fees: The fees shall be paid at the time the license or registration is issued. When an applicant has not engaged in business until after the expiration of part of a current year, the license fee shall be prorated monthly and the fee paid for such period during which the business has been or will be conducted.

C. Advance Payment: No such payment of any license fee in advance of the issuance of the license in due form shall entitle or authorize any person to any of the rights or privileges conferred by the issuance of any license or to the opening or maintaining of any business or establishment contrary to any of the provisions of this chapter. (Ord. 2003-02, 3-3-2003)

### **3-1-7: LICENSE TO BE POSTED:**

It shall be the duty of any person conducting a licensed business in the village to keep his license posted in plain view on the premises used for such business at all times. (Ord. 2003-02, 3-3-2003)

# Public Works Reminders

## Senior Snow Removal

The Village of Broadview is proud to offer snow removal for qualified seniors and handicapped residents. This program is offered under the following provisions:

- The current snowfall reaches or exceeds 2 inches.
- Snow plowing is done Monday through Friday Holidays are excluded from the program.
- Driveways are NOT part of the program.
- The Village assumes no liability for damage to persons or property from snow removal.
- Sidewalks and one Entry way will be plowed at random.

This program is limited in number and residents must be screened to qualify. In order to be eligible for this program you must be 65 years of age or older and/or permanently disabled, and a homeowner with no able-bodied persons in your residence. There is NO Guarantee that your snow will be removed at the time you would like. We will try, however, to accommodate everyone's needs.

## Yard Waste Collection Ends

Regular yard waste collection will end on the first snow fall.

## Sidewalk Shoveling Required

Residents and businesses are urged to help improve walking conditions and public safety by removing snow and ice from sidewalks after a storm. Village ordinance requires snow and ice to be removed from the public sidewalk within 24 hours following any snow, sleet or freezing rain. If the snow or ice has become so hard that it cannot be removed without damaging the sidewalk, then sand, salt or other abrasive material may be used to make pedestrian travel reasonably safe. Being a good neighbor is important, too, so property owners are urged to help those who may need help clearing a sidewalk. Failure to clear a sidewalk fronting or abutting one's property could lead to a ticket and fine.
