

## SALT CREEK SPRING CLEAN UP

Saturday AM, April 30th, 2022

Sponsored by the Salt Creek Watershed Network

Calling all former volunteers, community members, and nature lovers to volunteer for the annual Salt Creek Spring Cleanup. Individuals, families, and groups are welcome.

This outing is a great opportunity to be with friends and family, to meet others interested in caring for the environment, and to spend some time enjoying our local natural areas at the height of springtime! Participants can also enjoy environmental programs and a complimentary cookout lunch courtesy of GZA GeoEnvironmental, Inc.

Please meet by 9:00am at the Bemis North Forest Preserve foot bridge to sign in.

The entrance to the Bemis North parking area is on the west side of Wolf Road between Ogden Avenue and 31<sup>st</sup> Street and is about a quarter mile north of the creek. Individuals and groups meet by 9:00am at the North Bemis Forest Preserve foot bridge to sign in.

Participants choosing to bring their canoe or kayak and paddle along the creek to collect debris from log jams and shoreline areas should contact Scott Saacke at 424-241-8192 prior to the event. To be back in time for the cookout lunch beginning at 11:00, watercraft users will meet at the bridge earlier at 7:00am for sign-in.

For more information about the event, visit our [website](#) or call Ron Hursh at 708-354-4434.
